Young Kim graduated from Seoul National University with a degree in painting from the College of Fine Arts. She has worked on numerous animation and cover illustration projects and currently makes her home in Yongin, Korea. When Isabella Swan moves to the gloomy town of Forks and meets the mysterious, alluring Edward Cullen, her life takes a thrilling and terrifying turn. With his porcelain skin, golden eyes, mesmerizing voice, and supernatural gifts, Edward is both irresistible and impenetrable. Up until now, he has managed to keep his true identity hidden, but Bella is determined to uncover his dark secret. Lavishly illustrated by Young Kim and meticulously reviewed by Stephenie Meyer, *Twilight: The Graphic Novel, Volume 1* provides rare insight into the authors vision of the original work as it is brought to life in this compelling new medium. I've enjoyed working on this new interpretation of *Twilight*. Young has done an incredible job transforming the words that I have written into beautiful images. The characters and settings are very close to what I was imagining while writing the series. Stephenie Meyer ABOUT THE AUTHOR Stephenie Meyer is the author of the #1 bestselling *Twilight* Saga.
